

# DON'T GAMBLE ON YOUR TOOLING SUPPLIER

## WHY RISK:

Piles of scrap  
Downtime  
Extra production costs  
Late deliveries  
Customer complaints

## WHEN WE GUARANTEE:

- ✓ Testing prior to production
- ✓ Setup manual for quick setup
- ✓ Tooling drawings
- ✓ Technician availability
- ✓ First-time performance

**WE TEST 'EM, YOU RUN 'EM!**

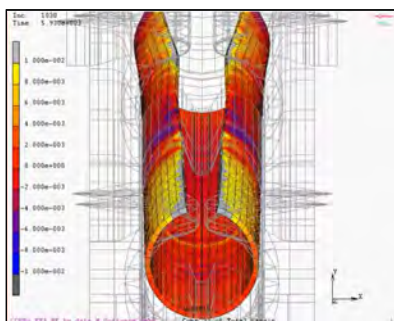

We guarantee easy setup and fast performance. Check out the details on the back and compare us to your other roll suppliers.

**ROLL-KRAFT**

# NO ONE ELSE DOES WHAT WE DO

IT'S THE **ROLL-KRAFT** ADVANTAGE

## 1 Finite Element Analysis (FEA)

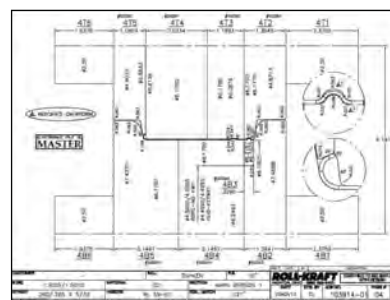

## 2 Tooling Setup Manual

## 3 Technical Notes

A technical note form from Roll-Kraft. The form includes fields for "Shop Order Number", "Customer", "Date", "Ship Date", "Engineer", and "Technician". It also has a section for "Test notes" with a large text area for detailed notes. The form is titled "ROLL TRYOUT RECORD" and "ROLL-KRAFT".

## 4 Tooling Drawings

## 5 Tech Availability

## 6 Technical Resources
