WE PROTECT YOUR TOOLING INVESTMENT

Our packaging guarantees your tooling shows up ready to run. Check out the details on the back and compare us to other tooling suppliers.

ROLL-KRAFT

DEMAND THE FULL PACKAGE

IT'S THE **ROLL-KRAFT** ADVANTAGE

**STEP
1**

Polish tooling to high luster to extend lifetime.

**STEP
2**

Oil rolls to prevent rusting.

**STEP
3**

Line custom wooden crates with thick cardboard.

**STEP
4**

Place cardboard between each roll to prevent contact.

**STEP
5**

Cover rolls with plastic and fill space with expandable foam to secure the rolls.

**STEP
6**

Tightly seal the crate with metal banding.
